

St. Marguerite d'Youville Maternity Home & Mother Teresa Transition Home

Krystal Rushing, Executive Assistant & Director of Housing

Ruth: Remember Ruth...Ruth was a previous resident that completed our program. Mrs. Brenda felt called to hire Ruth as our full-time house mom to inspire residents through her accomplishments and give them hope. Welcome Ruth! We are excited that you chose to give back to our community.

Amber: Amber has been with us the longest and we are very proud of her progression. By the Grace of God and through your support she has grown into a responsible young woman. This December she will be moving into her own place with both of her daughters. Amber is still loving her car (donated by one of our supporters) and is currently working at our pregnancy center. Any donations of appliances, furniture, etc. to help her get settled in her new location by Christmas would be greatly appreciated.

Courtney: Courtney is due to give birth to a baby girl in December. She is now a certified phlebotomist and is currently working at a local medical facility. After she delivers her baby, she will be looking for housing for her four-year-old son and 19-month-old twin girls. Because of your continuous support, she was able to acquire a much needed van for her growing family.

First-Time Moms: We also have four more pregnant residents that reside in our St. Marguerite d'Youville Home. They are all pregnant with their first child. It is amazing to see all these mothers bond and share this experience together.

"I can do all things through Christ Jesus who strengthens me" - Philippians 4:13

Please keep our home in your prayers and please remember to refer mother-to-be in a homeless situation. We will love, guide, and nurture them through your undying love and support by the graces that our loving God pours on this ministry. We could not have helped Ruth, Amber and others without your help, support, and prayers.

May God Bless all of you, Krystal Rushing
