**Krystal Rushing, Executive Assistant & Director of Housing**

**Amber:** She gave birth to a beautiful healthy baby girl, Kacelynn, on February 12, 2019; she has brought so much joy into our home. Amber's oldest daughter Kinsley is still living with foster parents but is now able to spend weekends with Amber. We are praying for a trial placement by the end of the 2019 school year. It is approaching a year that Amber has been with us and we are so proud of her dedication to her recovery and her parenting skills. Amber is now working as a consultant at The Women's Center of Lafayette and is doing an amazing job. It is truly beautiful to witness the progress that she is making to ensure a brighter future.

*Welcome Kacelynn Avery / 7lbs. 6oz.*

*Paige & Jaslynn  
Award Ceremony*

**Jaslynn:** A heartfelt congratulations to Jaslynn. She has completed and graduated from her parenting classes. She is still diligently working on maintaining her sobriety, attending counseling, and earning her GED. She is considering going to cosmetology school but is still undecided. I am proud to announce that Jaslynn completed RCIA and received her Confirmation and her son made his First Communion. We are also praying for Jaslynn to be reunited with her children at the end of the school year. Jaslynn and Amber have become very close friends, and Amber asked her to be the Godmother of Kacelynn; we are awaiting her baptism in the near future.

*Paige / MiMi's Attic*

**Paige:** Paige and her three children are still living with us. Hopefully, she will complete her program with the Department of Children and Family Services in the next couple of months and regain full custody of her children. She recently graduated from parenting classes and is putting those life skills into action by raising her three small children. She continues to work diligently on maintaining her sobriety and is currently studying for her GED. She has now been given the opportunity to practice responsibility by working at our new store, Mimi's Attic.

**Our mission would not be possible without your continuous support and dedication.  
Together we will continue to save God's children and provide them  
with a better quality of life.**

Thank You and God Bless, Krystal Rushing
